It would be an honor for me to serve as a Texas FFA Area One officer. Because of what the FFA means to me, I would like to serve in an officer position to ensure that others have the same high quality experience that I have enjoyed.

To me, being an area officer is not about being in the limelight, it is about my service to others. I aspire to be someone that is always friendly and approachable. As an area officer, building relationships would be paramount.

Something I hope to accomplish in my time in office is maintaining the quality image of the FFA by promoting agriculture in a positive light. As a leader, I have developed the skill of appreciating group collaboration. This has allowed me to recognize and applaud the ideas of others rather than assuming MY way was the ultimate way. There are a variety of correct ways to achieve a goal - not just one, and not just mine!

To quote our iconic creed: "I believe in the future of agriculture with a faith born not of words but of deeds." With both my words and my deeds, I will strive to benefit the Area One Association.
