Area 1 Members,

I am so excited to get to serve you this next year as your area 1 officer from the Plainview District, and I'd like to take this opportunity to let you know a little bit about me. I am the type of guy that will always work hard in his pursuits. I strive to achieve my absolute best and work to expose the best in those around me. I'm a perfectionist and this shows seeing as to how I took the ACT 4 different times. I enjoy reaping the benefits of hard work but also having a good time along the way. Over the course of my life I have had many opportunities to get to understand people as a whole. From spending hours putting up miles of hot wire fence with hired hands to spending time on the other half of the world in Australia and New Zealand going skiing, snorkeling, and skydiving, I have a host of experiences that have exposed me to new and different views. The culmination of all of this is that I have a new brand of leadership that is unique to the other candidates. I will work hard for you and look forward to serving this Area over the next year.

Garrison Kleman
