Hey there Area I!

My names Jayli Teeters and I am from the Spearman FFA Chapter and the Top of Texas District FFA Association. I am so excited to serve as one of your Area I FFA Officers for the 2017-2018 school year.

My current FFA experiences have instilled a burning desire in myself to lead and to serve the members of this wonderful organization. Through my own FFA experiences, I have had many challenges as well as successes. These events have helped to provide me with the tools necessary to become a well-rounded individual that will better serve you, the BEST area in the State of Texas.

A personal goal that I would like to achieve while serving you is “removing labels.” I want to help encourage every chapter and district in the area to not allow others to influence what defines us as the Area 1 FFA Association. Leading us to endless possibilities and success without labels.

Yours Truly,

~Jayli Teeters
