Dear Area 1 Members,

As a member of this great organization I have the opportunity to represent my chapter as a District Officer, Area Officer, and now I have the bid to run for my dream, State officer. It has been my dream since I was a Greenhand to be a State Officer, but I also understand the work it takes to achieve this goal. I am very involved in the FFA and I understand what it is all about. I love this organization and I truly understand the roles of everyone in it. This organization is my family and I will always do whatever it takes to make my family proud. With this opportunity I strive to be the best I can be and be the example the Area needs at the state level. I know where our Area is strong and I know an Area like ours deserve voice. I feel I am that voice we need, I will never coward down, I will go forth to say what needs to be said, and I will make my family proud.

Sawyer Osborn
