

Texas FFA Association
95th Convention Delegate Business Session
Agenda and Parliamentary Briefing Sheet

Introduction: Article II, Section A of the Texas FFA Constitution states “*The Texas FFA Association...is the organization of, by, and for students...*” The convention business session is your chance to use the skills you have developed by participating in chapter business and in business sessions which are to be conducted at the district and area levels to play a part in the future of your organization. **This is meant to be a member-driven process.**

1. Call to Order

2. Establishment of a Quorum

A *quorum* is defined as the minimum number of members which must be present to legally transact business. Normally, the governing documents of an organization define a quorum. The Texas FFA Association Constitution, Article XIII, Section B defines a quorum for the Texas FFA delegate assembly: “*A quorum shall exist when delegates representing more than 50% of the chapters registered for convention are present.*”

3. Adoption of Standing Rules

It is customary to adopt *convention standing rules* related to the conduct of an organization’s business. The standing rules will be read in their entirety and the chair will entertain a motion to adopt the standing rules. While the standing rules are presented and adopted as a single document, the rules constitute a group of separate motions. Therefore a delegate may discuss a rule as a separate motion. A motion to adopt the standing rules may be moved. Adoption of convention standing rules requires a two-thirds vote. In the interest of time, the presiding officer will likely seek to approve them by general consent. If there is an objection, a standing vote must be taken.

4. Minutes of the 94th Texas FFA Convention Delegate Business Session

5. Treasurer’s Report

This report is not acted upon by the delegate body since it contains no recommendations and is for the information of the delegates only. The Texas FFA Association’s financials are audited by an independent auditor. The audit report and its recommendations are acted upon by the Texas FFA Association Board of Directors at the second quarter meeting typically held in January.

6. Dues

Article XVI, Section A of the Texas FFA Constitution states, “*Annual membership dues in the Texas FFA Association/Texas Association of Future Farmers of America shall be fixed by a majority vote of the delegates at the Texas FFA Convention. Local chapters shall be notified of a proposed dues change 30 days prior to the State FFA Convention.*” Only members may set dues for the Texas FFA Association or any of its units (chapter, district, and areas). There is a recommendation for an increase of dues and it is the recommendation of the board of directors and board of student officers that annual dues be increased \$2.00 per member. A main motion may be offered to fix annual dues at \$7.00 per member for 2023-2024. Discussion or inquiries should be offered after the motion is stated by the presiding officer. The motion requires a majority vote.

7. Affiliation Schedule

After reviewing the Texas FFA Association Financial Reports and Budget, a recommendation was made to increase the affiliation schedule. It is the recommendation of the board of directors and board of student officers that annual affiliation schedule be increased by 20%. A main motion may be offered to fix the affiliation schedule at an increase of 20% for 2023-2024. Discussion or inquiries should be offered after the motion is stated by the presiding officer. The motion requires a majority vote.

8. Budget Proposal

The proposed budget was developed by the Board of Directors' Budget and Finance Committee, approved by the Board of Directors and forwarded to the delegates for approval. The Budget and Finance Committee is composed of both adult board members and state FFA officers. A state officer who was a member of that committee will present the budget. A main motion may be offered to adopt the proposed budget for 2023-2024. Discussion or inquiries should be offered after the motion is stated by the presiding officer. The motion requires a majority vote.

9. Approval of Honorary Lone Star Degree Recipients

Article V, Section F of the Texas FFA Constitution states the qualifications to achieve the Honorary Lone Star Degree from the Texas FFA Association. Candidates have been submitted by Area Associations, as well by the Texas FFA, and all applications were reviewed and approved. The constitution states that honorary degrees must be approved by the delegates at the State FFA Convention. The list of Honorary Lone Star Degree candidates can be found on page _____ of the convention program. A main motion may be presented to approve the Honorary Lone Star FFA Degree candidates listed in the convention program. Discussion and inquiries should be offered after the motion is stated by the presiding officer. The motion requires a majority vote.

10. Approval of the State (Lone Star) Degree Recipients

Article VI, Section E of the Texas FFA Constitution outlines that the candidates nominated by the State FFA Executive Director and Board of Directors to receive the state (Lone Star) FFA Degree must be approved by the delegates at the State FFA Convention. The list of state FFA degree candidates begins on page _____ of the convention program. A main motion may be offered to approve those state FFA degree candidates listed in the convention program. Discussion or inquiries should be offered after the motion is stated by the presiding officer. The motion requires a majority vote.

11. National Officer Candidate

Article IX, Section A(3) of the Texas FFA Constitution reads, *"To represent the Texas FFA Association/Texas Association Future Farmers of America at the National Convention, a National Officer Candidate must:...Be elected as the National Officer Candidate representing Texas by a majority vote of the delegates present at the state convention preceding the national convention at which the candidate is to run for National Office."* At this time the floor is opened for further nominations for the 2023-2024 Texas FFA National Officer candidate. The national officer nominee shall be elected by a majority vote of the delegate body, at this time we will proceed to vote. Online voting instructions will be read aloud on stage.

12. Constitutional Amendments

Article XVII of the Texas FFA Constitution states the following concerning proposed amendments to the constitution or bylaws:

Section A. Amendments to the Texas FFA Constitution and/or Bylaws may be submitted by an Area FFA Association, the Board of Student Officers, or State FFA Board of Directors. The proposed amendments to the State Constitution and/or Bylaws from an Area Association must be submitted in writing to the Texas FFA at least 60 days prior to the next State FFA Convention for review by the State FFA Board of Directors and the Board of Student Officers. All proposed amendments to the Texas FFA Constitution and/or Bylaws must be submitted by the State Executive Director to the local chapters at least 30 days prior to the next State FFA Convention. The State FFA Officers shall present the delegates at the State Convention. An amendment to the State FFA Constitution may be adopted by a two-thirds vote of the votes cast by the official delegates at the State Convention. An amendment to the Bylaws shall require a majority vote of the official delegates at the State FFA Convention. Amendments to the Bylaws must not conflict with the State or National FFA Constitutions.

The Texas FFA Board of Directors submits fourteen constitutional amendments to the delegate body for consideration. The details of these amendments were emailed to all chapters dated Tuesday, May 2, 2023, and have been posted online since then, thus satisfying the requirement that amendments be submitted “to the local chapters at least 30 days prior to the next state convention.” Since the proposed amendments are related to the constitution, a two-thirds vote is required for passage. These amendments are the result of the State Officer Task Force composed of agricultural science teachers from each of the twelve areas, current FFA state officers, and representatives of the Texas FFA Board of Directors. These amendments were voted on, approved, and are presented to the delegation on behalf of the Texas FFA Board of Directors.
